

Howard and Howard

Whilst we do not process dry cleaning on-site, we do act as a dry cleaning agent for Howard and Howard who are based in Shrewsbury. They use a process called wet cleaning to process any dry cleanable items. They turnaround items from Thursday to Thursday, so make sure to get your items in ASAP, otherwise, you may be in for a long wait.

Please enquire for prices.

Duvet and Mattress Topper Cleaning

Thanks to our industrial-sized washing machines we can wash any size duvet, mattress toppers or pillows.
